

3772-1-06 Minimum licensure requirements.

(A) The commission shall issue a license under Chapter 3772. of the Revised Code, for not more than three years, if the applicant has demonstrated their suitability for licensure by clear and convincing evidence and all other requirements under that chapter and the rules promulgated thereunder have been satisfied.

(B) No license issued under Chapter 3772. of the Revised Code or any administrative rule promulgated thereunder establishes a minimum educational or experiential requirement for licensure.
