

3772-11-39 Table games ~~jackpot; employee pocketbooks~~ inspection and maintenance.

(A) Each casino operator shall establish the following controls for inspecting and maintaining roulette tables, roulette wheels, Big Six games, and any other table game mechanism, as required by the commission.

~~A table games jackpot slip or manual jackpot form shall be used to pay any table games jackpot that triggers internal revenue service required reporting. If a manual jackpot form is used, the form shall include all the information as required on the table games jackpot slip. The table games jackpot slip or manual jackpot form shall be a sequentially numbered, two part form. One part shall be deposited in the table game drop box, and the other copy shall be retained at the cashier's cage.~~

(1) Procedures for and personnel involved in inspecting and balancing wheels before the table is opened for play;

(2) Procedures for inspecting any roulette balls that may be played in that gaming day;

(3) Procedures for assessing the randomness of game outcomes;

(43) Logging of inspections and maintenance; and

(54) A maintenance schedule for games with wheels.

(B) The casino operator shall immediately notify the commission upon discovering that a roulette table, ball, or wheel's play was compromised. Each employee shall be prohibited from taking a pocketbook or other personal container into the pit area unless the pocketbook or container is transparent.
