Important Notices

By signing and submitting this request, you are volunteering to refrain from entering all Ohio casinos for at least the time period that you specify in Section 1, Question 15 below.

The Ohio Casino Control Commission (Commission) and the Ohio casino operators will comply with all rules protecting the confidentiality of your enrollment in the VEP. However, the Commission must release information regarding the VEP to all Ohio casino operators so that the Commission and the Ohio casino operators can help you fulfill your commitment to refrain from gambling; accordingly, the Commission cannot guarantee the confidentiality of the information once the information has been given to the Ohio casino operators.

Ohio casino operators have a corporate policy that will cause this exclusion to apply at all the casinos they own, manage, or operate in other states and countries, or casinos they acquire after the date this form is signed.

All actions outlined in this request that either the Commission or an Ohio casino operator may take are incentives that you are asking the Commission and Ohio casino operators to use to help you fulfill your commitment to refrain from gambling, and are not a guarantee that any party, including the Commission, can physically prevent you from going to Ohio casinos.

A. Authorization and Request to Release Information

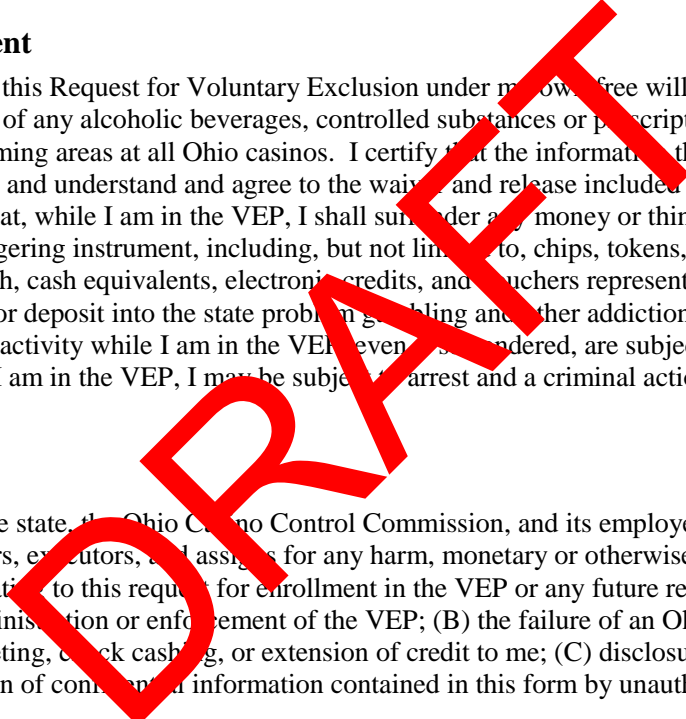

I understand that after I file this request, the Commission will inform all Ohio casino operators that I have voluntarily excluded myself for the stated period of time. I understand that once an Ohio casino operator receives notice that I have excluded myself, it may deny me entry and/or service at its commonly owned, managed, or operated facilities anywhere in the world. This may include non-gaming areas and amenities. Each casino operator will make its decision to deny or not deny service on its own and without interference from the Commission. I accept any risk of adverse public notice, embarrassment, criticism, or other action, including any financial loss, which may directly or indirectly result from the release of the information authorized in this Authorization and Request to Release Information. I request that the Commission release my photograph and all other information provided in this form that is necessary for an Ohio casino operator to enforce my voluntary exclusion. I acknowledge that I may receive a letter from each Ohio casino operator informing me that they have received notification of my participation in the VEP.
