**Importance:** High

Hi Craig,

In speaking with our engineering team I can provide the below general estimates:

40 to 52 Hours for a first time kiosk certification.

28 to 32 hours for a modification or transfer of a previously certified kiosk.

Certification report fees between 395.00 to 995.00 depending on number of certified components.

GLI currently charges \$125.00 an hour for our certification testing services.

New Kiosk	+ Certification Report Fee
\$5000.00 to \$6500.00	\$395.00 to \$995.00
Modified Kiosk	
\$3500.00 to \$4000.00	

Please let me know if you need anything further. Also, please advise when the kiosk regulations are promulgated so that we may immediately post them to our internal testing systems.

Respectfully,
