

**3772-11-25 ~~Handling of cash at gaming tables~~ Patron exchanges.**

(A) Whenever cash is presented by a patron at a gaming table to obtain gaming chips, the following requirements shall be met:

(1) The cash shall be spread on the top of the gaming table by the dealer or boxperson accepting the cash, in full view of the patron who presented the cash and the supervisor assigned to that gaming table;

~~(2) The cash value amount shall be announced by the dealer or boxperson accepting the cash, in a tone of voice calculated to be heard by the patron and the supervisor assigned to that gaming table;~~

~~(3) The boxperson or dealer shall count and appropriately break down an equivalent amount of chips in full view of surveillance and the patron, in accordance with rule 3772-11-19 of the Administrative Code; and~~

~~(4) The cash shall be taken from the top of the gaming table and placed by the dealer or boxperson into the drop box or into the poker table float attached to the gaming table.~~

(B) When the value of cash and chips in patron exchanges exceeds thresholds set by the executive director or the executive director's designee, the following additional requirements shall be met:

(1) The amount to be exchanged shall be announced by the dealer or box person accepting the cash or chips, in a tone of voice calculated to be heard by the patron and the supervisor assigned to that gaming table; and

(2) A supervisor shall verify the amount of cash or chips as they are exchanged.

(B)C No cash wagers shall be allowed to be placed at any gaming table. The cash shall be converted to chips before acceptance of a wager.
