

3774-3-05 Duties of management company applicants or licensees.

In addition to all other requirements under fantasy contest law, each management company applicant or licensee shall:

(A) Ensure that the fantasy contest operator for which that person is a management company applicant or licensee is compliant with fantasy contest law.

(B) Notify the executive director of all violations of fantasy contest law of which the management company applicant or licensee has knowledge or should have knowledge.

(C) Retain, maintain, and promptly produce all records described in section 3774.04 of the Revised Code.

(D) Ensure responses are promptly issued to all inquiries or requests by the commission.

(E) Comply with all notices or directives from the executive director to draft, edit, or implement policies, procedures, or practices.
